

To: Craft Vendors

We'd like to introduce ourselves and assure you that the Piedmont Triad Farmers Craft Fairs will be bigger and better Craft Fair Events than ever before.

First, we'd like to say we are very excited to be working with the Farmers Market organizing the December/Christmas Craft Fair. There are a few changes in the making. All are positive growth oriented changes. Some of those changes are as follows:

- We have already put into place, several new pieces of advertising, with more to come.
- We have obtained a 10% savings on all food purchases at Moose's Cafe for Craft Fair vendors over the course of the 2 day show.
- We will have an Information Booth & be on the premises to help vendors both days. We'll watch your booth if needed, get food, help vendors in any way possible, etc.
- We will have Santa Claus (Tom) as an attraction. The live Christmas trees will be for sale by the farmers. PLUS we're working on more!!!!

Other changes include the following:

- Participation is still first come, first served. Crafters no longer choose their own space. We will place crafters taking craft type, special needs, electricity, etc. into consideration. If you have an area preference, or special needs, please request it on your application and we'll work with you...but no guarantees. Only guarantee is... we'll do our very best.
- ALL items must be handcrafted. NO resale, NO commercial and NO trademarked, copyrighted or patented items may be sold.
- All Crafters must be juried.

Enclosed is an application and show guidelines. Please review and feel free to contact us with any questions or concerns you might have.

Product photos for jurying can be e-mailed or sent by regular mail. Email is much easier for us, but whatever is good for you is OK with us. **If you participated in the Fall Show no additional pictures are needed**

Be sure to sign application and enclose payment. Checks will not be cashed until approval is given. Checks will be returned if approval is denied.

Confirmation of acceptance will be your cancelled check. Show flyers to post in your local businesses, hand out to customers, friends, & family will be emailed.

Info packets, space assignments, Moose's Cafe coupon, etc. will be picked up at set-up time on Friday/Saturday.

We have been crafting together over 30 years and coordinating/promoting craft shows for over 20 years. We believe that crafters are the greatest people around and can't think of any group of people we'd rather be affiliated with. We are very excited to be in this venture and look forward to working with each & every one of you.

Thank you,
